Sista Soul Releases Highly Anticipated New Album "Soul Reflections"

Denver, CO — Inspirational soul artist **Sista Soul** is proud to announce the impending release of her latest album, "**Soul Reflections**", a deeply personal and inspiring collection of songs that blend soul, jazz, hip hop and gospel influences. Available on all major streaming platforms starting **April 25, 2025**. The album invites listeners on a powerful journey of self-discovery, love, inspiration and hope.

"**Soul Reflections**" showcases Sista Soul's signature sound—a rich fusion of warm, velvety vocals and heartfelt lyrics. With tracks like "[With You](#)," and "[Let Me Be](#)," the album explores themes of resilience, healing, and personal growth, offering a soundtrack for those navigating life's ups and downs.

In describing her inspiration for the album, Sista Soul shared:

"'Soul Reflections' came from a place of vulnerability. It's about looking inward, facing the things that challenge us, and finding strength in our truths. I hope these songs help others see their light, just as creating them helped me find mine."

The album was produced by Sista Soul with music carefully curated from 800 The Jewell and Sfrbeats.com. The album was engineered by 800 The Jewell and recorded at Whisper Room Studios. From soulful ballads to upbeat anthems, "**Soul Reflections**" highlights Soul's diverse range as producer, a vocalist and songwriter.
